IN FIVE MINUTES NO SICH STOMACH INDIGESTION, GAS

"Pape's Diapepsin" is the Quickest and Surest Stomach Relief.

If what you just ate is souring on your tomach or lies like a lump of lead refusing to digest, or you beich gas and sructate sour, undigested food, or have a feeling of disziness, heartburn, fullness, muses, bad taste in mouth and stomach, headache, you can surely get relief in five minutes.

Ask your pharmacist to show you the formula, plainly printed on these fiftycent cases of Pape's Diapepsin, then you will understand why dyspeptic troubles of all kinds must go, and why it relieves sour, out-of-order stomachs or indigestion n five minutes. "Pape's Diapepsin" is narmless; tastes like candy, though each dose will digest and prepare for assimilation into the blood all the food you eat; besides, it makes you go to the table with a healthy appetite; but what will please you most, is that you will feel that stomach and intestines are clean and fresh, and you will not need to resort to laxatives or liver pills for bilious-

This city will have many "Pape's Diapepsin" cranks, as some people will call them, but you will be enthusiastic about this splendid stomach preparation, too, if you ever take it for indigestion, gasses, neartburn, sourness, dyspepsis, or any tomach misery.

Get some now, this minute, and rid yourself of stomach misery and indiges tion in five minutes.-Adv.
